Designer: Gisbert Pöppler Company
Gisbert Pöppler Architektur Interieur Berlin, Germany
Luxury interior architecture and design both in Germany and internationally with a strong focus on high end residential. Recent projects include a large renovated home in the German countryside, several private apartments throughout Berlin and an executive's London home. Current work ranges from a luxury 360° penthouse, a temporary fine furniture and art showcase in New York and a large country house in Germany. Design philosophy: traditional and modern in balance.
