

DINING TABLE  
**LA LUNA + BELENUS**

## DINING TABLE BELENUS

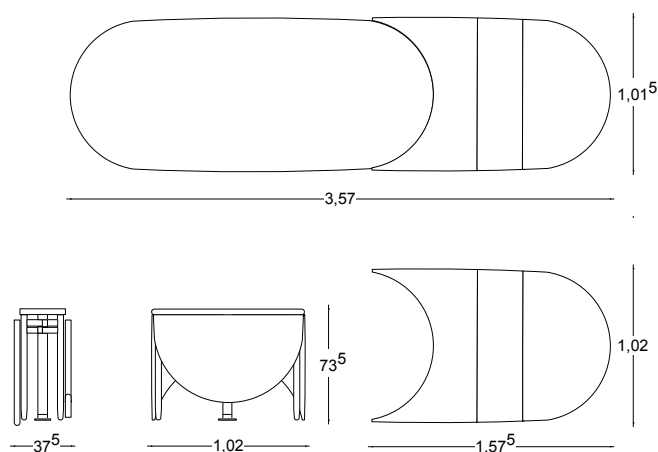

Referencing the Latin Moon and the Celtic Sun, this extendable dining table duet comes in two connecting pieces of smoked oak coated in high gloss lacquer. Like perfectly paired lovers, each piece can stand on its own, while also fitting harmoniously together with its partner.

The Belenus table stands on solid rounded legs and connecting feet that are a contemporary take on outré Nordic design, complete with a playful Viking feel. Its oxblood red tabletop offers a gently curved shape that, when locked up with its extension, creates a noticeable “waistline” where the two pieces meet. In contrasting petrol blue La Luna, with its folding half-moon shape, functions as an abstract sideboard as well as an extension element for the main table, allowing a full party of 12 to find a seat at the feast.

**DIMENSIONS:** L 240 x W 101 x H 73 cm | L 7'9" x W 3'3" x H 2'4"

**MATERIAL:** High gloss lacquered wood & smoked oak

**PRICE:** 19.500 € excl. VAT | Shipping and packing is not included
