CHERRY ALUMINIUM DINING TABLE

Cherry Table, by Gisbert Pöppler is named the playful form of its base! Shaped like cherries with curved stems the three legs gently wrap into each other. This sculptural base supports the eight centimeter thick tabletop with an embedded revolving platter, or Lazy Susan in its center - ideal for an amiable dinner or discussion with up to ten people.

The Cherry Table is hand crafted in Germany entirely of 8-millimeter-thick aluminum plates which comes in high gloss lacquered or polished natural aluminum.
